

Financial Planning Seminar for **Port Dray Truckers** through the

Port of Baltimore Clean Diesel Program

What is the Clean Diesel Program?

A grant program that will provide funds to help truckers reduce diesel emissions at the Port of Baltimore.

How does it work?

For a limited time, grant funds are available to cover all or part of the cost associated with:

- replacing older trucks
- replacing dray truck engines
- installing devices to lower emissions and more!

How do I apply?

For more information or to apply, visit www.efc.umd.edu.

How can I get assistance with financing and help with other business issues?

Attend a **FREE** Training Seminar offered by The Small Business Development Center (SBDC)

Learn strategies to help you improve the overall management of your business and position you to realize increased revenues. Financial planning, marketing, and sources of capital will also be discussed!

Open to Management and Independent Contractors!
Saturday, November 7, from 10 am to noon

Maryland Motor Truck Association
3000 Washington Blvd.
Baltimore, Maryland 21230
